## Sweet cakes

Very tasty, very easy and very fast, I hope you will try it because you will like it and I am sure you will like it.

### Ingredients

- ⊕ 3 white chocolate covered crisp biscuits (such as large white chocolate chip cookies (Chunky - 60g each)) ⊕ 3 cans of Qimar
- ⊕ 4 bags of powdered whipping cream
- ⊕ A little cream means a quarter cup or a quart of cream ⊕
- Powdered chocolate
- ⊕ Tea biscuits, regular biscuits 4 boxes Approx. 40 biscuits ⊕ Hot milk
- for biscuits+ Medium Nescafe

### Method

The cookies are soaked in milk with Nescafe until they are soft.

In a rectangular dish, arrange two layers of biscuits impregnated with milk and Nescafe.

Put the following ingredients in a blender: Cookies+ Cream+ Cream+ Dreamweb and mix with a blender (smoothie mixer), then top the cookies with a little of the mixture (only a quarter of the amount).

Top the rest of the mixture with 3 tablespoons cocoa powder and mix with the mixer again. Pour it all over the cake.

Garnish with crushed pistachios or flakes.

I myself garnish half of the batch with pistachios and half with flakes.

Refrigerate until frozen, then cut small serving pieces into squares and arrange on a serving plate. Best made 4 to 6 hours before eating so that it freezes well.

# Milk cake

Although the more appropriate name for this recipe is toffee cake, as a mother of a two-year-old who refuses milk in all its forms, I decided to call it milk cake because it's an easy way to provide your kids with a large amount of milk without them realizing it. The cake can be topped with a layer of toffee frosting (recipe below) and chopped nuts to serve to guests.

## Ingredients

- ⊕ 1 cup powdered milk ⊕
- 1/2 cup powdered sugar ⊕ 1/4 cup oil
- ⊕ 1 teaspoon baking powder ⊕ 3 eggs
- ⊕ 1 teaspoon liquid vanilla

## Toffee cream:

- ⊕ 3/4 cup sugar ⊕ can of cream (170) gram(

## Method

1. Stir the powdered milk in a skillet over high heat until lightly browned.
2. Mix all the ingredients except the milk well with a hand whisk then add the milk and beat until there are no lumps. 3. Grease a small tray with a little oil and flour then pour the cake batter into the tray.
4. Place the tray in the middle tier of a 180C oven and bake for 20-25 minutes or until the bottom and top are lightly browned.

## To make the toffee cream:

5. In a pan, melt 3/4 cup of sugar and before the sugar solidifies, add a can of cream a little at a time, stirring constantly and vigorously, then remove from heat and pour on top of the cake.

# Cake with toffee

## Ingredients

⊕ 2 cups flour ⊕ 1  
cup sugar ⊕ 3 eggs  
⊕ 1 tablespoon baking  
powder ⊕ 1/3 cup oil  
⊕ 1/3 cup milk

## Toffee Topping Ingredients

⊕ 2 cups of sugar coffee  
⊕ 1/2 teaspoon butter ⊕ 1 can  
regular cream

## Method

Beat the eggs in a deep bowl until they rise slightly, then add the sugar while continuing to mix, then put in the baking powder.

Add the oil and milk to the mixture, continuing to mix until you have a creamy mixture.

Gradually add the flour to the mixture and mix it well with a hand egg beater until the amount of flour we have is finished, to make sure the mixture is successful, lift the beater and if it comes out in the form of a firm ribbon, it is a proof of success.

Pour the mixture into a greased mold, lightly flour the mold and shake off the excess, then place the mixture in the oven until cooked.

Put the sugar on the fire with the butter until the sugar dissolves and takes on a brown color, then add the sugar to the warm cream, stirring continuously so that the sugar does not clump in the cream.

After the cake is cooked, we take it out and let it cool slightly, then pour the toffee that we prepared before until it covers the top of the cake, sprinkle coconut on top to give it a beautiful view, and eat it cold with tea and good health.
